

Seattle Peace Chorus *Feast For Peace, April 7th, 2018* Business Sponsor Benefits

In these turbulent times, with the on-going threat of war, resurrected racial bigotry and roll-back of environmental protection, the Seattle Peace Chorus is needed now more than ever to give voice to peace, justice and non-violence. Through your support, we can continue our work to sing for such causes as freedom of the press (our recent concert), gun control (Sandy Hook shooting memorial) and a nuclear-free world (ICAN Nobel Peace Prize celebration). Please join us on our journey to use the power of music to create a peaceful world.
